

Warren Concert Band  
Mary Lee Fitz  
Student Scholarship - 2026

Dear Band Director or Sponsor,

Since 1997, the Warren Concert Band has proudly offered scholarships to middle and high school musicians. Over the years, many recipients have gone on to excel as performers and leaders in their school bands and adult community bands.

Our goal is to encourage students to stay involved in band music long-term and to help them see that performing doesn't have to stop after high school. Community groups like the Warren Concert Band offer a great way to continue making music.

These scholarships provide financial support to talented student musicians and may be used for private lessons with a qualified instructor or for instrument-related expenses such as purchases, repairs, materials, or upgrades. Scholarships are awarded based on a completed application and a competitive audition held each April. Through this program, we can support deserving students in Warren and the surrounding areas.

Applicants must currently be in grades 7–11 and be active members of their school band program. Please note that the guidelines differ for middle school and high school students. All guidelines and application materials can be found online at [warrenconcertband.com](http://warrenconcertband.com) or included in this packet.

Previous scholarship recipients are welcome to apply again.

Feel free to make additional copies as needed. All materials are due by **Friday, April 3, 2026**. Students with complete applications will be contacted to schedule an audition on **Tuesday, April 21, 2026**, held in the music wing of Warren Lincoln High School (22900 Federal, Warren, MI 48089).

If you have any questions, please don't hesitate to reach out via email at [scholarships.wcb.mi@gmail.com](mailto:scholarships.wcb.mi@gmail.com).

Thank you for supporting your student musicians,

Carly Turcios  
Chair, Scholarship Committee  
Warren Concert Band, Inc.
